APPROVAL OF STATE ENGINEER
an underground source as heretofore granted under Permit 53144 is issued subject the terms and conditions imposed in said Permit 53144 and with the understanding the no other rights on the source will be affected by the change proposed herein. The well shall be equipped with a 2-inch opening and a totalizing meter must be installed and maintained in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to beneficial use. The totalizing meter must be installed before any use of the water begins or before the proof of completion of work is filed. If the well is flowing, a valve must be installed a maintained to prevent waste. This source is located within an area designated the State Engineer pursuant to NRS 534.030. The State retains the right to regular the use of the water herein granted at any and all times.  This permit does not extend the permittee the right of ingress and egress of public, private or corporate lands.  The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.  This permit is issued subject to revocation if and when water can be furnished an entity such as a water district or a municipality engaged in furnishing water this permit is issued to correct the place of use and point of diversion of Permit 53144, which incorrectly represented the intended location, Permit 5174 already at the place of use of Permit 53144.
e amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to
ceed o.01cubic feet per secondbut_not_to_exceed 1.46 million
gallons annually.
ork must be prosecuted with reasonable diligence and be completed on or before
oof of completion of work shall be filed before August 18, 1996
plication of water to beneficial use shall be made on or before
pof of the application of water to beneficial use shall be filed on or before
p in support of proof of beneficial use shall be filed on or before
npletion of work filed. JUN 2 0 1995  IN TESTIMONY WHEREOF, I, R. MICHAEL TURNIPSEED, P., State Engineer of Nevada, have hereunto set my hand and the seal of my
of of beneficial use filed
